

Minutes of the
Center Harbor Energy Committee
February 5, 2015

In attendance: Chris Johnson, Bernie Volz, Steve Caney, Chris Williams, Selectmen Representative Richard Hanson, Guest Annette Nichols.

Meeting was called to order at 7:00.

Discussion of future of the Energy Committee – commitment, availability and participation levels. Each member discussed their particular interests, focus & purpose:

- Chris Johnson – Reduce energy use of town owned buildings and provide assistance to residents.
- Chris Williams – Sustainability and energy efficiency.
- Richard Hanson – town budget concerns and the ability of the committee to effect result.
- Bernie Volz – provide opportunities for residents/homeowners and improve efficiency of town buildings.
- Steve Caney – continue to support committee projects, Town Library.

Ms. Nichols introduced herself and gave the committee a description of her background and interest in being appointed to the committee.

Regional discussion – the committee discussed future efforts of getting other town organizations to collaborate jointly.

Interlakes School district – warrant article for the school board to hire Honeywell Associates to complete a comprehensive energy study and the possibility of Center Harbor participating on the committee overseeing the project.

Homework assignment – each committee member to identify projects they would each like to champion or participate in.

Street light Project – Selectmen w/ police and highway representatives to review lighting and committee's evaluation (probably not until after Town Meeting).

Gazebo Lighting – Chris J will circulate estimate and specifications Bob Daniels Electric. Bernie will investigate if an RFP will be required.

Library Lighting Project – Still active, but probably will necessitate a meeting with the Trustees.

Meeting adjourned at 8:40.

Next meeting is scheduled for March 5, 2015 at 7:00 PM.

Respectfully submitted – Chris Johnson February 11, 2015.
