

Minutes of the
Center Harbor Energy Committee
June 6, 2013

In attendance: Chris Johnson, Steve Caney, Bernie Volz and selectmen representative Richard Drenkhahn.

Meeting was called to order at 7:05.

Municipal Renovations – Rebates: Heat Pump and lighting all set, about \$27,500 to be received. Fossil Fuel rebate for insulation no longer applies because it is all electric heat (heat pumps plus electric resistance back up). Still about \$50,000 in trust fund which will not be drawn against for renovation project.

Street lighting – Reviewed survey sheet created by Steve. Steve will revise from committee's suggestions. Bernie will try to get state DOT specifications or recommendations. (Later the committee reviewed the lighting at the south end of Main St and Route 25, across from the Congregational Church parking lot, and the new LED street light there).

Meredith Local Energy Committee meeting Thursday May 9th, 6:30. Chris J & Chris Williams attended. Reviewed activities of other local committees and discussion on future goals and opportunities.

Recruitment- Will distribute requests to e-mail list.

Future Projects – Fire Station. Will review this area of the building at next meeting. Chris J will contact Chief Schlemmer to see if he is available. The committee will then develop a list of opportunities for improvements.

Meeting adjourned at 8:20.

Next meeting is scheduled for June 27, 2013 at 7:00 PM.

Respectfully submitted – Chris Johnson June 20, 2013
