

Minutes of the
Center Harbor Energy Committee
September 5, 2013

In attendance: Chris Johnson, Chris Williams, Cassandra Bradley and selectmen representative Richard Drenkhahn.

Meeting was called to order at 7:09.

Municipal Renovations –Final Inspection took place with GDS on 8/29. Results to follow. Committee members present toured the building including the new police department w/ Chief Mark Chase. Still many loose ends to be addressed, including user instruction/education for control systems (t-stats, lighting, ventilation).

Fire Station improvements – Reviewed RFP. Chris W suggested that that an alternative for finished drywall be added. Committee agreed to add this to the document. There was a discussion about a couple of vent holes from the attic over the bathrooms was exposed to the fire station. The wall they are in and the brick wall adjoining the hallway are not insulated. These items may need to be added to the RFP.

Recruiting additional committee members – should request interest through e-mail distribution list.

Street lighting – No updates

Meeting adjourned at 8:35.

Next meeting is scheduled for October 3 2013 at 7:00 PM.

Respectfully submitted – Chris Johnson September 17, 2013
