

Minutes of the
Center Harbor Energy Committee
October 3, 2013

In attendance: Chris Johnson, Bernie Volz and selectmen representative Richard Drenkhahn.

Meeting was called to order at 7:12.

Municipal Renovations – Review of final GDS Report. Project came in at 64% better than NH State Energy Code Discussion on vent holes and uninsulated separation walls in attic adjacent to fire station. Chris J had some charts printed up from the report for the open house on Sat.

Fire Station improvements – Reviewed RFP. Chris J volunteered to attend the mandatory contractor meeting on 10/30. Bernie will contact Leon Manville (Fire Chief) for access/permission. Bernie will contact Robin about promotion of the RFP.

Recruiting additional committee members – No discussion.

Street lighting – Plan to finalize survey form at Nov. meeting and set a date for the site review.

Library – Richard presented a request from the Library Trustees to have the Energy Committee consider upgrading the lighting in the rear dome area. The wiring for the lights in place is out dated (knob & tube). Berie & Chris J will review for discussion at Nov. meeting.

Meeting adjourned at 7:50.

Next meeting is scheduled for November 7, 2013 at 7:00 PM.

Respectfully submitted – Chris Johnson October 10, 2013
