CENTER HARBOR TOWN MEETING MODERATORS RULES OF PROCEDURE

Unless changed by the voters at the Meetings, the Town Moderator will use the following Rules of Procedure to conduct the Meeting:

- 1. The Moderator will <u>not</u> follow Robert's Rules. The Moderator will use the following general rules of procedure, whose main purpose is to keep the meeting moving, and not get bogged down in procedural quagmires.
- 2. By majority vote, the voters can overrule any decision that the Moderator makes and any rule that the Moderator establishes. A voter can raise such a request by Point of Order.
- 3. The Moderator will take Articles in the order that they appear on the Warrant unless the Moderator announces the intent to take Articles out of order.
- 4. The Moderator will consider each Article, as follows:
 - a. The Moderator will announce the Article number, and will read the text of the Article.
 - b. The Moderator will recognize a member of the Board of Selectmen, or the petitioner (if a petitioned Article) to move the adoption of the Article.
 - c. If the Motion is seconded, the Moderator will recognize a member of the Board of Selectmen, or the petitioner, to explain the Article.
 - d. The Meeting will debate and then vote on the Article.
- 5. Everyone who speaks must use the microphone so that they can be heard.
- 6. No one may speak unless he/she, has the floor.
 - a. No one may have the floor unless recognized by the Moderator.
 - b. Except for Points of Order, the Moderator will not recognize speakers unless they raise their hand to be recognized.
 - c. Each speaker must provide his/her name and address.
 - d. Even if a voter does not have the floor, a voter may speak to raise a Point of Order, to challenge a Moderator's ruling, or to overrule the Moderator.
- 7. The Moderator will allow only one motion on the floor at a time. There are two exceptions to this rule:
 - a. A voter may raise a Point or Order at any time, and
 - b. If a voter has the floor, the voter may make
 - *i.* A motion to amend the pending motion, or
 - *ii.* A motion to Call the Question.

- 8. The Moderator will not accept negative motions, which are motions that require a "no" vote to vote in the affirmative such as "I move that we not adopt the budget."
- 9. Motions to Call the Question limit debate and require a 2/3 vote. If passed, these motions stop debate on a motion and the motion is immediately voted upon. The Moderator shall have the right to refuse to recognize a Motion to Call the Question, if, in the Moderator's opinion, the voters have not yet had an adequate opportunity to discuss an issue.
- 10. Non-voters may not speak at the Meeting without the permission of the voters <u>except</u>, the Moderator will allow non-resident Town officials and consultants or experts who are at the Meeting to provide information about an Article to speak.
- 11. All speakers must be courteous and must speak to the issues, not the individuals raising them. The Moderator will not allow personal attacks or inappropriate language.
- 12. If any person behaves in a disorderly manner, and after notice from the Moderator, persists in such behavior, or shall in any way disturb the Meeting, or willfully violate any rule of proceeding, the Moderator may have a police officer, or any legal voter of the Town, remove such person from the Meeting. (RSA 40:8).
- 13. All questions and comments should be addressed to the Moderator. The Moderator will choose who responds to the questions.
- 14. With the exception of initial presentations on Articles that the Moderator requests be limited to five (5) minutes, all speakers in debate will be limited to three (3) minutes.
- 15. Each speaker may only speak once until everyone has spoken.
- 16. The Moderator may determine the method of voting except as determined by law. However, any voter who doubts the accuracy of any non-counted vote may require the Moderator to determine a vote by a counted show of hands or counted standing vote. In this case, assistant Moderators will count the hands and report directly to the Moderator.
- 17. Any vote on a bond issue of over \$100,000 must be voted on by secret ballot. In addition, any five (5) voters may require that the vote on any Article or question be by secret ballot. To do so:
 - a. All five (5) voters must be present and identified, and
 - b. The request must be presented in writing to the Moderator prior to the end of debate on the Article or question.
- 18. Motions to reconsider an Article may only be made immediately after the vote on the Article, and may only be made by a voter who voted on the prevailing side of the vote to

be reconsidered. However, the following limits may apply to the reconsideration of an Article:

- a. Mandatory Restriction: In accordance with RSA 33:8-a, if a motion to reconsider a ballot vote on a bond issue of over \$100,000 passes, the Article cannot be reconsidered until a reconvened Meeting that is at least seven (7) days after the original vote. With respect to bond votes, the restriction on reconsideration automatically applies without the need for the Meeting to vote for it.
- b. Optional restriction: Voters may postpone reconsideration of any Article at the Meeting by voting to restrict reconsideration of the Article in accordance with RSA 40:10. If the Meeting passes such a motion, then the Article cannot be reconsidered until a reconvened Meeting held at least seven (7) days after the date of the original vote.

Reminder: Since any rule of the Moderator or decision of the Meeting can be reversed or changed at any time prior to the end of the Meeting by a majority vote of the Meeting, there is no rule that can be adopted that can absolutely prevent the reconsideration of an Article.

19. The Moderator will not be a voting member of the meeting.

Selectmen's Report 2023

Dear Friends and Neighbors in Center Harbor:

After a year of recovery from the COVID crisis, and in the run-up to the 2024 election the world seems more unsettled than ever. Thankfully, here In Center Harbor, we enjoy a relaxed and relatively tranquil way of life which the members of the SelectBoard will continue to strive to maintain. We will continue to provide responsive, efficient, effective and transparent Town government while maintaining the quality of life we enjoy living in Center Harbor. Please let us know if you have any issues or unmet needs that we should address.

Highlights from this year have been:

Mitigating the wear and tear on Historic Town properties

We are continuing the process of restoring the Lakeview Cemetery on Main Street. The sagging iron fence was removed and is being repaired and new gates are being fabricated. This coming Spring (2024) the granite pillars will be reset and the restored fence and gates will be re-installed. During this past summer the white picket fence facing State Route 25 was scraped, primed and painted by the Meredith Rotary.

Repair work on the old School House continued. New doors, which are historically accurate and exact replicas of the previous doors, replaced the old doors which had deteriorated. Historically accurate door hardware was installed. The property was inspected for mold and will be remediated. We have sent out RFP's for the next Phase of repairs, focusing on shoring up and bracing the sagging floor in the main room.

A project to mitigate water seepage in the basement of the Nichols Library was successfully completed with minimal expense. This ended the decades old water issues in the basement with one small section to be addressed this year. In addition the 100 year-old hunting trophies donated by the Nichols Family were cleaned, repaired and remounted.

General Maintenance

The beach Pavilion was re-roofed and the Town Office Building had some needed repairs done on some of the facia boards. Finally, the bathrooms in the Fire Station have been completely renovated.

Winnipesaukee Boat Launch Renovation

The boat launch at the Town beach provides free and convenient access to the big Lake for our residents, and the launch fees paid by non-residents is an excellent source of revenue for the Town.

In 2023 we performed some needed repairs to the boat launch. The new non-resident launch fee of \$25 produced over \$18,000 in revenue, bringing the nine year total revenue from the boat launch to \$135,000. This money offsets all of our operational expenses for the Boat Launch and Beach. The related boat traffic also helps boost the Town's economy, supporting our resturants and retailers.

Road Safety and Maintenance

The Town continues to improve the roads following a dual strategy of repaying the worst roads and quickly repairing portions of roads which are in good condition. We will continue in this manner until all the roads in Town are in safe, "good" condition. Major efforts completed this year included:

Completed Road Work 2023

- <u>Hawkins Pond Road</u>: Continue to work on the engineering and permitting for the replacement of the culvert at 33 Hawkins Pond Road.
- <u>Hawkins Pond Road</u>: Remove ledge as needed from road base and shoulder from 20 Hawkins Pond Road to the intersection with Winona Road and repave.
- <u>Piper Hill Road</u>: Mill profile, amend with gravel and overlay from 59 to intersection of McCrillis Hill.
- Follett Road: Replace the last two failing culverts before the town line.

Proposed Road Work 2024

- <u>Review drainage for needed repairs/priorities:</u>
- <u>Crosswalk at Route25 and Lake Street</u>: Construction and signalization in conjunction with NHDOT.
- <u>Piper Hill Road:</u> Shim/overlay from 295 to 457. Mill and amend as needed. Remove ledge as needed.
- <u>Hawkins Pond Road:</u> Culvert replacement at 33 Hawkins Pond Road.
- <u>Hawkins Pond Road</u>: Shim/overlay the entire road including the intersection and hill at the intersection with Piper Hill Road. Remove ledge as needed.
- <u>McCrillis Hill Road</u>: Shim/overlay from intersection of Piper Hill to bottom of hill just before Elliott Road in stages as warranted.
- <u>College Road (south)</u>: Shim/overlay from Route 3 to top of the hill at 103. <u>College Road (north)</u>: Shim and overlay from Route 25B to the Holderness town line.
- <u>Main Street (south end)</u>: Reclaim and pave the south end from the church to the intersections with Coe Hill and Route 25.
- Follett Road: Reclaim and pave the end of earlier reconstruction to the Meredith Town line.
- <u>Crosswalk at Route25 and Lake Street</u>: Construction and signalization in conjunction with NHDOT.

Please note that the 2024 proposed road work is a fluid document and will be reassessed as conditions dictate and does not include unknown drainage and/or bridge repairs.

Cost Controls

Inflation has not been our friend this past year. There is constant upward price pressure and although Center Harbor continues to enjoy one of the lowest tax burdens in the State it is always

a constant struggle to keep expenses (and taxes) as low as possible. This year our spending has come in below budget and we will be returning approximately \$111,000 to the general fund. Although we strive to keep the budget as flat as possible, inflation, rising prices and supply chain issues have driven increases in many departments. Most of these are beyond our control and include increases in State Pension requirements, insurance premiums, Federal/State payroll taxes, unemployment insurance etc. In addition, we continue to add money to the various expendable trust funds to cover projected expenses and repairs to Town buildings and equipment. Accumulating funds in advance allows us to avoid huge outlays which "spike" the budget in any given year. Our proposed budget for 2024 is approximately \$523,605 more than last year; of this \$314,398 will come from grant funds, the unreserved fund balance and the Energy Conservation Expendable Trust Fund. The total budget from taxation as proposed is \$3,708,040 which is an increase of 8.67% more than 2023's budget from taxation of \$3,412,238.

The State requires that all monies to be spent must be appropriated and reflected in the budget. The proposed Solar Power Array represents an Appropriation of \$400,000 and our budget reflects this. If the article passes or fails the proposed budget will stand as is. If it fails there will be a reduction of \$400,000 in the Appropriation only. There will be no effect on taxation.

Operational Efficiency

The Town continues to seek grants, donations of time and services while simplifying systems and procedures wherever possible. This effort has precluded having to add staff at Town Hall, and to date by shifting some services to on-line, such as Auto Registrations, and Property Tax collection. Grants continue to be an important source of funding.

Volunteers

The Selectman would like to call your attention to the listings of Commissions and Committees in the Annual Report section. Without the dedicated, hard work of these individual volunteers the Town would struggle to provide and maintain many of the resources we enjoy together. Please thank them, and if you have the time consider joining them.

Finally, we hope you will come to Town Meeting and participate in what is the last pure exercise in democratic process in this country. It is through your inalienable right to vote that we will continue to preserve the beauty and health of this wonderful little Town we all call home.

At 6:00 P.M., Wednesday March 15, 2023, the Town Meeting was reconvened in the Fire Station to act upon Articles 2 thru 19. Moderator Charles Hanson opened the meeting by saying it was good to have the spring like feel. He just got back from Keene where they got two feet of snow and he was mighty glad to get home. He went on to say that he is a firm believer in how fortunate we are to be able to have a Town Meeting and he feels it is the most effective form of democracy that we know. He asked all Veterans to stand to be recognized which led into the Pledge of Allegiance. He introduced the Deputy Moderators, Peter Louden and Alan Rilla, Town Clerk/Tax Collector Mary Richardson, Admin to the Select Board Robin Woodaman, Selectmen, Chairperson Richard Drenkhahn, William Ricciardi and Harry Viens, Supervisors of the Checklist , Rachel Small, Kelli-Ann Kemery and Jamie Jenkins, Ballot Clerks Diane Kimsey and Amy Hornkohl. Adding Ms. Hornkohl is also Deputy Town Clerk/Tax Collector. Department Heads, Police Chief Mark Chase, Fire Chief Tyler Driscoll and Parks and Rec Director Sandy Frost. He thanked all that braved the elements to vote on Tuesday after reading the results.

Article 2. It was moved by Richard Drenkhahn and seconded by Peter Louden to see if the Town will vote to raise and appropriate the sum of \$1,057,891 for general municipal operations. \$9,695 to come from the Unreserved Fund balance and the balance to come from taxation. This article does not include appropriations contained in special or individual articles addressed separately. (\$1,140,370 appropriated in 2022). (Majority vote required). Richard Drenkhahn made a motion to amend by adding \$13,600.00 to hire a part time employee for the planning/zoning/receptionist office. This increases the general municipal operations appropriation to \$1,071,491. William Ricciardi seconded the motion. The Article passed unanimously.

Article 3. It was moved by William Ricciardi and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$854,334 for public safety; \$22,285 to come from the Unreserved fund balance and the balance from taxation. (\$681,941 appropriated in 2022). (Majority vote required). Greg Hime commented on a job well done by Police and Fire for all they have done being shorthanded. Craig Baker asked why such an increase in the Fire Department line. William Ricciardi stated there was a 53% increase from last year due to increased calls and equipment updates. Fire Chief Tyler Driscoll added there was an increase of 14% to 28% on everything. Chief Driscoll stated the department brought in over \$100,000 in donations and grants. He stated they did go over budget by \$8,000. There was an increase in 911 calls and the cost of

	2023 Proposal	2022
		Appropriation
Police Department	\$443,899	\$383,774
Fire Department	\$304,578	\$198,191
Ambulance	\$76,154	\$71,680
Lakes Region Mutual Fire Aid	\$25,403	\$24,497
Emergency Management	\$3,250	\$2,749
Red Hill Fire Tower	\$1,050	\$1,050
Total Public Safety	\$854,334	\$681,941

doing business is steeper. He clarified that we have no full-time members; we are an on-call department and appreciate the few active members that are left to handle the call volume. The Article passed unanimously.

Article 4. It was moved by Harry Viens and seconded by Jeff Hubbell to see if the Town will vote to raise and appropriate the sum of \$412,712 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal to be offset with an estimated amount of \$40,432 from State Highway Block Aid and, in the event the grant is not fully funded, the balance will be raised through taxation. (\$380,898 appropriated in 2022). (Majority vote required). Karen Ponton asked what is the difference between Article 4 and Article 8 when it comes to Bridge Maintenance. Mr. Viens explained that the Bridge Maintenance is a new line item which we received a specific grant for which we are creating the fund going forward. Karen Ponton asked if this means we won't be using money out of the \$40,432 for bridges. Mr. Viens stated not necessarily if the \$19,493 in Article 8 isn't adequate we may have to dip into it. Gwen Bronson wanted to compliment the Highway Department for the magnificent job of keeping our roads safe. Gail Lacasse asked about sidewalks are only for Town owned sidewalks. The sidewalk in question is owned by the State. Gayle asked if there was room for discussion. Mr. Viens stated that the Selectmen would be open to hear from residents their concerns in a Selectmen's meeting. The Article passed unanimously.

Article 5. Special Warrant Article. It was moved by Richard Drenkhahn and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$186,500 to be placed in the following existing Capital Reserve Funds. (\$157,500 appropriated in 2022). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). The Article passed unanimously.

Capital Reserve Funds	2023 Proposal	2022 Appropriation
FD Self Contained Breathing Apparatus	\$14,000	\$5,000
FD Engine or Rescue Vehicle	\$100,000	\$75,000
Safety Building	\$10,000	\$10,000
PD Cruiser	\$27,500	\$27,500
PW Truck or Equipment	\$15,000	\$15,000

Computer Equipment	\$5,000	\$5,000
Revaluation of Property	\$15,000	\$20,000
Total Capital Reserve Funds	\$186,500	\$157,500

Article 6. Special Warrant Article. Annette Nichols motioned to have this Article voted on after Article 10 as she has several questions related to this Article with the outcome on Article 10. Moderator Hanson took a hand count of those that approved of moving Article 6 until after Article 10. Motion carried.

Expendable Trust Funds	2023 Proposal	2022 Appropriation
Buildings Repairs & Maintenance	\$40,000	\$85,000
Energy Conservation & Improvements	\$1	\$1
Town Roads Repairs & Maintenance	\$334,069	\$300,000
Town Vehicle Repairs	\$11,053	\$15,633
Town Beautification	\$2,000	\$2,000
Town Properties Stewardship	\$1	\$800
Town Winter Maintenance	\$1	\$10,000
Town Heating Assistance	\$0	\$323
Town Boat Ramp/Drainage	\$50,000	\$50,000
Total Expendable Trust Funds	\$437,125	\$413,757

Article 7. Special Warrant Article. It was moved by Harry Viens and seconded by Greg Hime to see if the Town will vote to establish an Expendable Trust Fund under the provisions of RSA 31:19-a and RSA 289:2-a, to be known as the Cemetery Expendable Trust Fund, for the purpose of providing funds to perform maintenance and repairs at the Town cemetery properties, and to name the Board of Selectmen as agents to expend from said Fund, and to raise and appropriate the sum of \$13,500 to be placed in said Fund. The Selectmen recommend this warrant article by a 3-0 vote (Majority vote required). Karen Ponton asked if these funds are separate from the Center Harbor Memorial Park Trust Fund. Harry Viens stated this fund is being created to maintain repairs to all cemeteries of the Town. Moderator Hanson added this fund is a fund in general for all cemeteries of the Trust Funds. This new fund is subject to the designation by the Board of Selectman. The Article passed unanimously.

Article 8. Special Warrant Article. It was moved by Richard Drenkhahn and seconded by Jeannie DeGrace to see if the Town will vote to establish an Expendable Trust Fund under the provisions of RSA 31:19-a, to be known as the Bridge Maintenance, Construction and Reconstruction Expendable Trust Fund, for the purpose of providing funds to perform maintenance, construction and reconstruction of Town owned bridges, and to name the Board of Selectmen as agents to expend from said Fund, and to raise and appropriate the sum of \$19,493 to be placed in said Fund; \$19,493 will come from the unreserved fund balance, \$0 from taxation. The Selectmen

recommend this warrant article by a 3-0 vote. (Majority vote required). Richard Drenkhahn wanted to point out that we received this money from the State of NH and currently do not have a bridge to fix. Craig Showers asked how many bridges does the town own. Mr. Drenkhahn answered that would be one, High Haith Bridge. Moderator Hanson said that High Haith Bridge was repaired in 2010. He said that some people think that the bridge on Hawkins Pond Road is owned by the town but it is owned by the State. The Article passed unanimously.

Article 9. It was moved by William Ricciardi and seconded by Jeff Hubbell to see if the Town will vote to raise and appropriate the sum of \$247,311 for the disposition of Solid Waste. (\$221,889 appropriated in 2022). (Majority vote required). The Article passed by majority vote. The Article won by majority vote.

Article 10. It was moved by Harry Viens and seconded by Craig Baker to see if the Town will vote to raise and appropriate the sum of \$80,701 for the operation of the James E. Nichols Memorial Library. (\$81,550 appropriated in 2022). (Majority vote required). Annette Nichols introduced herself as the former chair of the Library Trustees from 2019-2021. She stated there has been a generous donation this last year from Nancy Kelly's estate of \$212,000. This donation was received in May of 2022 and there has been no indication on how this money will be used in the minutes of the library trustees, pointing out there have been repairs to the library that have been paid by the town and not the library funds. She asked why they are asking for money in Article 6 when they have not used the funds or shown in their minutes how they plan to use the funds. Ann Xavier, the current chair of the Library Trustees answered per **202-A:4 Maintenance.** – Any city or town having a public library shall annually raise and appropriate a sum of money sufficient to provide and maintain adequate public library service therein or to supplement funds otherwise provided. She stated they are exploring how to invest the money. Ms. Nichols stated when she was the chair Ms. Kelly was still living when she expressed to the executor of her estate that it was her wish not to burden the Town with expenditures to the repairs of the library. Stephany Marchut Lavallee commented as a library trustee she had seen the letter granting the donation and it did not read that way. She is one of the trustees researching on the best way to invest the money. Karen Ponton stated she as treasurer for the Library Trustees met with the attorney of the estate and the executor for Nancy Kelly and there was no stipulation on how to use the gift. Shannon Whalen a former library trustee, was interested in knowing how the money is going to be used when there is no mention in the minutes. She is finding the library isn't as user friendly, not open during scheduled hours and there is a loss of circulation. David Hughes spoke in favor of this article; a gift of this nature is good for the future of the library by investing and helping to keep the price of things down. Circulation has changed as libraries aren't as popular as they used to be. Andy Cartier spoke in favor of the article stating the library isn't a burden to the town but a service to this community and taxpayers. Dave Johnson motioned to move the Article. The motion passed. The vote was taken on the Article which passed by majority vote.

Moderator Hanson returned to Article 6 from above. It was moved by William Ricciardi and seconded by Peter Louden to see if the Town will vote to raise and appropriate the sum of \$437,125 to be placed in the following existing Expendable Trust Funds; \$35,122 to come from the unreserved fund balance and \$402,003 from taxation. (\$413,757 appropriated in 2022). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). Bernie Volz motioned to amend the Energy Conservation & Improvements from \$1.00 to \$50,000 and seconded by Stephany Marchut Lavallee. The reason for the increase is the Energy Committee is

looking at solar arrays for the municipal building. This money would be set aside for the project if it is approved. Jeff Hubbell thinks we are putting the cart before the horse He stated he is not opposed to looking at the project but thinks we need more input from the taxpayers. Mr. Drenkhahn explained the Board of Selectman are in agreement stating that they chose not to put the \$50,000 in before having public hearings to see if the taxpayers of the Town want to spend the money. Jan Hooper asked if anyone has looked into matching grants. Mr. Drenkhahn explained the Energy Committee already has \$61,000 in the account if there is a need for matching grants. Ms. Nichols who serves on the Energy Committee voiced her agreement with Jeff Hubbell and the Selectmen to have more public hearings first. The motion did not pass.

Maureen Criasia asked if the Selectboard could give a sense of the scope of the Boat Ramp Drainage Expandable Trust Fund Project as to what has been accomplished and is there going to be a public hearing on the scope of the project. Mr. Ricciardi explained the fund was created originally for storm drainage and boat ramp repair. The repair on the boat ramp has been repaired under budget. As far as the drainage we were too late to apply for grants. There were two quotes for the storm water drainage. Mr. Ricciardi, Ms. Frost and Mr. Haines attended a seminar on applying for grants last year after the fact. They will be looking at applying this year. Karen Ponton asked what is the anticipated cost for the project. Mr. Ricciardi stated the estimate we got was upward of 300,000 for the drainage. Engineering alone was estimated to be \$50,000.

Ms. Nichols was questioning the \$55,000 spent on building repairs and the future work for the library. Mr. Ricciardi stated it was used for the library, the schoolhouse windows and the bandstand. The future work is for drainage for the library, the schoolhouse needs some mold remediation and the floor. Ms. Nichols suggested reducing funds in the Buildings & Repairs line. Mr. Drenkhahn stated the amount is already much less than last year and we need to have enough money for unforeseen major repairs. Mr. Hughes clarified we are voting on the Expandable Trust Fund not the operating budget Ms. Xavier discussed the due diligence they are doing to get estimates on the drainage for the library. Roland Garland discussed the condition of the schoolhouse and motioned to amend the Buildings, Repairs and Maintenance to increase by \$45,000. There was no second. Motion failed. Ms. Ponton questioned if the boat launch fees could be used toward the drainage project. Mr. Ricciardi stated that the Parks & Recreation Revolving Fund has specific areas the money can be used. Ms. Ponton questioned if there will be a public hearing on the Boat Ramp/ Drainage this coming year. Mr. Ricciardi stated when we have more information to present, such as costs and direction, there would be a public hearing. The Article passed by majority vote.

Article 11. It was moved by Richard Drenkhahn and seconded by Ginny Fisher to see if the Town will vote to raise and appropriate the sum of \$112,018 for recreational activities. (\$106,835 appropriated in 2022). (Majority vote required). The Article passed by majority vote.

	2023 Proposal	2022
		Appropriation
Parks & Recreation	\$62,343	\$58,410
Patriotic Purposes	\$32,000	\$31,250
Town Band concerts	\$17,675	\$17,175

Total Recreational	\$112,018	\$106,835

Article 12. It was moved by William Ricciardi and seconded by Craig Baker to see if the Town will vote to raise and appropriate the sum of \$1,000 for the Centre Harbor Historical Society. (\$1,000 appropriated in 2022). (Majority vote required). Annette Nichols brought up again the donation the Historical Society received. Mr. Ricciardi said the donation to the Library, Schoolhouse and Church has come up a couple of times throughout the meeting. The money was not given to the Town. We don't have any say over the money and how it is spent. The Historical Society is a separate entity and rents the space from the Town. We take care of the building because we own the building. Mr. Garland has been trying to stay active. Covid hasn't helped. He also stated that when it comes time to do repairs to the building the Society would like to help. Jeff Hubbell moved, seconded by Gwen Bronson to reduce the amount from \$1,000 to \$1.00. The amendment failed. The original motion was passed by majority vote.

Article 13. It was moved by Harry Viens and seconded by Greg Hime to see if the Town will vote to raise and appropriate the sum of \$10,000 for Direct Welfare. (\$10,000 appropriated in 2022). (Majority vote required). The Article passed unanimously.

Article 14. It was moved by Richard Drenkhahn and seconded by David Hughes to see if the Town will vote to raise and appropriate the sum of \$46,148 for the support of the following health and welfare agencies (\$45,398 appropriated in 2021) (Majority vote required). The Article passed unanimously.

Agency	2023 Request	2022 Appropriation
Lakes Region Visiting Nurse	\$20,000	\$20,000
Assoc.		
Winnipesaukee Wellness Center	\$6,500	\$6,000
Community Action Program	\$8,800	\$8,800
Inter-Lakes Day Care Center	\$4,848	\$4,848
New Beginnings	\$1,050	\$1,050
American Red Cross	\$1,000	\$1,000
Lakes Region Mental Health Ctr.	\$1,750	\$1,500
CASA	\$1,000	\$1,000
Interlakes Community Caregivers	\$1,200	\$1,200
Total Health/Welfare Agencies	\$46,148	\$45,398

Article 15. Special Warrant Article. Petitioned warrant article. It was moved by William Ricciardi and seconded by Dave Johnson to see if the Town will vote to raise and appropriate the sum of \$1,500 for the purpose of supporting services provided to children in Center Harbor experiencing alleged abuse. In FY 2021, four (4) children in Center Harbor completed a forensic interview and received family support services from the Greater Lakes Child Advocacy Center in Laconia, a program of the Granite State Children's Alliance that serves all communities in Belknap County. Trauma-informed behavioral health services with a licensed clinician are also available and provided on-location. These combined services are valued at \$1,984 per child – and are

provided at no cost to families. On average in the U.S., without the availability of a Child Advocacy Center, the cost to communities is \$3,949 per child, before the addition of behavioral health services. Child Advocacy Center services reduce trauma for child victims by allowing them to only tell their story once in a supportive, comfortable, trauma-informed and child-friendly environment. They support children and their families in early stages of healing and save the community money. The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required) The Article passed unanimously.

Article 16. Special Warrant Article. It was moved by Harry Viens and seconded by Steve Condojani to see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the existing Heritage Fund. (\$5,000 appropriated in 2022). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required). The Article passed by majority vote.

Article 17. It was moved by Richard Drenkhahn and seconded by Jeff Hubbell to see if the Town will readopt the Optional Veterans' Tax Credit in accordance with RSA 72:28, II, for an annual tax credit on residential property of \$500. (Majority vote required). Mr. Hime stated as a veteran he certainly appreciates the recognition and use of this credit but our Town is in need of funds and would like his credit to go towards the needs of the town. The Article passed by majority vote.

Article 18. It was moved by William Ricciardi and seconded by Peter Louden to see if the Town will readopt the All Veterans' Tax Credit in accordance with RSA 72:28-b, for an annual tax credit on residential property which shall be equal to the same amount as the standard or optional veterans' tax credit voted by the Town of Center Harbor under RSA 72:28. (Majority vote required). The Article passed by majority vote.

Article 19. It was moved by Harry Viens and seconded by Kim Baker to see if the Town will vote to allow a discount of two (2) percent on property taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. The Article passed unanimously.

Article 20. To transact such other business that may legally come before the Town Meeting, including to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. Chair of the Heritage Commission Ginny Fisher mentioned the Heritage Commission needs more members if anyone is interested to let her know. Ms. Sullivan promoted Earth Day/Week Roadside Cleanup the week of April 16-22. Information is on the town website. Mr. Volz wanted to close the loop on the solar project stating, " the public has comments or opinions the Energy Committee meets the 3rd Monday of the month in the Carey Mead Room at 7:00PM. Also, both the Energy Committee and ZBA Committee need new members if anyone is interested." Moderator Hanson emphasized it is a good way to get involved in your community by volunteering on a committee. Karen Ponton asked if there could be an update on the Harbor Landing Development on Bean Road. Mr. Viens stated the Planning Board in Moultonborough approved 42 units with several conditions. At this point we are waiting to see how the Army Corp of Engineers and DES are going to move forward with the laundry list of concerns that the Selectmen sent. They discounted all the safety concerns we have with not only foot traffic but road traffic. Steve Caney asked if the solar project is something taxpayers could draw off. Mr. Volz answered the solar for the municipal building would be just for the building. There could be other projects that could cover this down the road. Robert Nichols had a real concern about the

ballot question on the changes to the Zoning Ordinance Section 4 General Provisions, Sub Section 4:4:9 Fences After extensive discussion by Mr. Nichols he moved in the future that there is an explanation on the ballot to show the change to the ordinance and an explanation of that change. Motion failed. Mr. Hime stated the Town voted to remove it; we as citizens looked at it, discussed it and voted to remove it. Gwen Bronson asked for a definition with a garden fence. Peter Gurney agreed with Mr. Nichols in the future with ballot questions such as this to show an explanation on the ballot.

Eric Strapp motioned to adjourn; Dave Johnson seconded. The motion passed. The meeting adjourned at 8:02PM.

Respectfully Submitted,

Mary Richardson Town Clerk

STATE OF NEW HAMPSHIRE TOWN OF CENTER HARBOR

Article 16. Special Warrant Article. To see if the Town will vote to raise and appropriate the sum of \$1 to be placed in the existing Heritage Fund. (\$5,000 appropriated in 2023). The Selectmen recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 17. Special Warrant Article. Petitioned Warrant Article. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) to fund the purchase and installation of audio and video equipment in the Cary Mead meeting room at Center Harbor Town Hall, including service contracts for operations and maintenance of the audio and video equipment, and live streaming and digital storage, to allow for successful video broadcast and viewing of public meetings held in the Cary Mead meeting room. The Selectmen do <u>NOT</u> recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 18. Special Warrant Article. Petitioned Warrant Article. To see if the Town will vote to add an Ordinance to its Town Ordinances entitled "Town Government Transparency" that will state the following: "All public meetings held in the Cary Mead meeting room shall be live-streamed in real-time for the public to view on the Town's internet website, and a link to the video recording of each public meeting shall be posted on the Town's internet website immediately after the conclusion of each meeting." This ordinance shall take effect on August 1, 2024. The Selectmen do <u>NOT</u> recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 19. Special Warrant Article. Petitioned Warrant Article. Shall only Center Harbor residents, property owners and their guests be permitted to use the Town of Center Harbor boat launch on Lake Winnipesaukee? The Selectmen do <u>NOT</u> recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 20. Special Warrant Article. Petitioned Warrant Article. Shall the vote at Town Meeting of March 6, 1973 permitting Moultonborough residents, property owners and their guests to use the Town of Center Harbor beach be rescinded, and only Center Harbor residents, property owners and their guests be permitted use of the Town Beach? The Selectmen do <u>NOT</u> recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 21. Special Warrant Article. Petitioned Warrant Article. We, the undersigned, do hereby request the Town of Center Harbor provide snow removal of the town sidewalks. The uncleared sidewalks, especially those along Dane Road (Route 25B), place pedestrians in danger of bodily harm and death. The snow blocked sidewalks present insufficient safe passage for pedestrians, requiring foot travelers walk on the busy highway to access town facilities. We respectfully request the issue be placed as a warrant article at the Town Meeting 2024. The Selectmen do <u>NOT</u> recommend this warrant article by a 3-0 vote. (Majority vote required).

Article 22. To see if the Town will vote to allow a discount of two (2) percent on property taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector.

Article 23. To transact such other business that may legally come before the Town Meeting, including to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen.

2023 AUDIT

The Town of Center Harbor is under contract with Roberge and Company to be audited in 2024. The audit will be available in the Town Office upon completion.

James E. Nichols Memorial Library

Annual Report 2023

We have had another remarkable year at our beautiful library! Trustee Corina Locke located a contractor to repair the water damaged walls and ceilings, and we had the entire inside painted. Trustee Emeritus Bette Miller arranged to have all of the antique tables and chairs repaired and refinished by the NH Correctional Industries and they are now outstanding! Trustee Karen Ponton arranged to have all of the trophy heads cleaned and restored, something that hadn't been done for 113 years. Trustee Ann Xavier and Selectman Bill Ricciardi, resolved some major drainage issues for the basement. We are now exploring ways to utilize that space and will ask the community to join us with suggestions. A space for town events and classes has been suggested. Trustee Stephany Marchut Lavallee, alternate Clara Gamboa de Levin and alternate Dave Hughes are working together on an investment committee with it's sights set on strategic planning for our future.

Many events were held at the library this year. We had a 113th birthday party and holiday craft days. Librarian Aisilyn Guivens and Assistant William Leathers hosted a number of author talks including children's authors Kari Allen and Bennett Evans. Author Nikki Goott gave a riveting presentation and Ernest Thompson was terrific, as was his musical guest, John Davidson! Aisilyn and William also published a number of interesting pod casts. The local paper, Laconia Daily Sun, donated a new container for curbside services, and a new outdoor drop box was purchased. We hosted two successful book sales over the summer. Our staff became CPR/AED certified too.

We explored having an outdoor reading room with a brick walkway that could serve as a memorial to past patrons and staff.

In August our librarian and assistant librarian left us for full time teaching jobs. We were very fortunate to have one of our volunteers become a substitute assistant librarian, and Sharon Thompson continues to help us keep our library open. We were fortunate again to have Deb Hoadley steer our ship as interim librarian for a few months. Trustee Sandy Frost guided our new staff through the maze of forms and formalities. We hired Zackery Jesus and Calista Maccabee as assistant librarians, and as of January 1, we welcomed Dr. Linda Verge as our Director Librarian.

We look forward to having an excellent year once again with our enthusiastic staff and terrific board. Our library continues to serve our town as a center for education, entertainment and community involvement.

Annual Report of the Center Harbor Fire Department

The Center Harbor Fire Department had another near record year, responding to 352 calls in 2023. Responses ranged from fires, rescues, emergency medical calls, hazardous conditions, service calls, good intent calls, false alarms and calls related to severe weather. Our average time from dispatch to response was 5:22 and total response time was 10:44. Times vary widely due to our large response area and responses to our mutual aid partners. There is also significant variation based on time of day, as our response time during hours with instation coverage (8am to 4 pm 7 days a week) averages four minutes less than responses during non-coverage hours. Our busiest day of the week for the third year in a row was Saturdays. Our average number of responders is two.

Staffing continues to be our paramount concern as it is with departments throughout our area. We are seeing our neighboring departments adding to or considering full-time staff, but continue to hear agencies in our region fail to respond to emergency calls or respond with a single firefighter on their apparatus. This increases the burden on mutual aid partners and puts residents and visitors at risk of delayed assistance in an emergency. We have made significant attempts to be proactive in addressing this issue in a cost-effective manner, bringing on part time staff to assist with filling day shifts and incorporating online scheduling tools to optimize utilization of our personnel. Our proposed budget for 2024 will allow us to increase coverage from 8 to 10 hours, 7 days a week, with two staff on shift. These day shifts not only cover the emergency calls, but also help complete day-to-day cleaning, maintenance, and training necessary to keep our staff and equipment operating as effectively as possible. This budget will also allow us to compensate two members to be available from home overnight. This is referred to as the night stipend and has helped us ensure we have at least one member responding to every call regardless of the time of day or night. If you are a resident who is interested in joining the department, we encourage you to stop by the station or contact us at any time. We provide all necessary training and protective equipment.

Training has been a major point of emphasis for the department over the past year. Training is essential to developing the skills necessary to perform successfully in high stress environments during emergency calls. We consistently train in fireground operations, motor vehicle accidents and extrications, ice and open water rescues, technical and backcountry rescues, and emergency medical services at the basic and advanced levels. Many of our personnel have obtained advanced certifications over the past year, including ice rescue technician, swiftwater rescue technician, commercial driver's license, driver operator, rope rescue, fire officer, advanced EMT, and boat operator. I would like to congratulate all of those members on their 2023 achievements. As our members continue to add these certifications, we do our best to add needed equipment based on the certifications they have achieved. Most of this is purchased through our budget supplemented by donations and grants. Capital improvements have continued to result in significant benefits for the department. Staff restrooms have been upgraded after over fifty years, which not only improves the quality of the working environment for our firefighters, but now provides them two shower facilities which can be used to immediately decontaminate after a fire or other potentially hazardous exposure. Federal COVID-19 grant funds were used to do this much needed renovation.

The new fire engine the town purchased has been in service for over a year and continues to be in excellent working condition, serving both our town and the surrounding communities at multiple emergencies. The medical equipment that was purchased by a grant has also been in service for over a year and continues to help save lives. To date, Center Harbor is one of two non-transport agencies in the state that have advanced prehospital airway management capabilities. This year, we will be asking residents to support our efforts to replace our 24-year-old rescue vehicle with an affordable, flexible, and right-sized solution in the form of a new utility vehicle.

CHFD would like to remind residents to upgrade and maintain your smoke and carbon monoxide detectors. Smoke and carbon monoxide detectors have a service life of not more than 10 years and will not work properly if they are not replaced or maintained. Most detectors still require battery changes every 6 to 12 months. These devices save lives.

I would like to thank all of our current fire department members for their selfless efforts, continued dedication and commitment to this wonderful community. The department would also like to thank the town residents, taxpayers, and business owners for their continued support and dedication to the Fire Department.

Proudly Submitted,

Tyler D. Driscoll Fire Chief

Red Hill Fire Tower

The tower was opened for the 2023 season at the end of April. Kelley Brown once again served as one of the tower people responsible for looking for, and reporting fires, in our region. The first part of May saw high fire danger reports. Four different fires were called in from the tower in May; two brush fires (one in Wolfeboro and one in Centre Harbor), a good intent call in Belmont which turned out to be an overturned farm tractor on fire, and a fire on Bear Island on Winnipesaukee.

The rest of the summer was rainy with no fire danger, especially with rainy weather on 17 out of 21 weekends and left over rains during the week.

There were, however, continued repairs made to the cab of the tower. Ten windows that were rotting and falling apart were manufactured and replaced by the president of the Red Hill Fire Tower Association. All of the broken antennas that were no longer being used by an internet service were removed. Brush around the tower was cut to ensure that the guy-wires were clear.

We received a \$500 grant from the New Hampshire Chapter of the Forest Fire Lookout Association (FFLA). Total pay for the tower staff was \$2499.

Thank you to all of the donating towns for your continued support.

Report of Forest Fire Warden and State Forest Ranger

This past year we observed wet weather in late spring and throughout the summer. This led to reduced wildfire activity throughout the state and allowed many of our state firefighting resources to respond to Nova Scotia and Quebec to assist our Canadian neighbors with their record wildfire season. We were also able team up with local fire departments and provide many wildfire trainings throughout the state.

This time of year, we see fires caused by the careless disposal of woodstove ashes. Before dumping your woodstove ashes, you should place them in a covered metal container until they are out cold. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Even with the lower wildfire threat in New Hampshire in 2023, properties within the Wildland Urban Interface were still impacted, with 8 structures threatened and 3 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at <u>www.firewise.org</u>. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. "Remember, Only You Can Prevent Wildfires!"

As we prepare for the 2024 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also available online in most

Fires*

towns and may be obtained by visiting <u>www.NHfirepermit.com</u>. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at <u>www.nh.gov/nhdfl/</u>. Center Harbor Police Department 2023 Annual Report

The Center Harbor Police Department ended the year on high note with the return of Officer Michelle MacLeod. It has been two years since the police department was fully staffed and we could not be more pleased to have Officer MacLeod back on our team. It is common for 1 officer to cover a 24-hour period but over the last two years that generally extended to a 96hour period to allow for vacation and sick time as well as training. Thank you to Sergeant Weiss, Officer Marsh and Administrative Assistant Hornkohl for their sacrifices during this time.

In late 2022, I proposed a limited use police only shooting range at the 12-acre property that was formally the Center Harbor landfill on Keyser Road. This proposal was to address the lack of firearms training for our officers due to the difficulty of scheduling police coverage while we travel to other communities to train. In 2023, the property was surveyed and an engineer drew up an initial design to ensure all safety and environmental issues were addressed. After concerns were raised by residents in the neighborhood, the Board of Selectmen and I have decided to withdraw the proposal at this time but will review in the future.

In 2023, we enrolled in the New Hampshire Law Enforcement Accreditation Program. It is anticipated that it will take up to 2 years to become accredited, with reaccreditation every 3 years. The benefits to this program included reduced risk and liability through standardized policies and procedures that reflect best practices. It also improves agency accountability, community relations, encourages problem solving and creates a framework to achieve agency goals.

In addition to the two NH Highway Safety Grants that we received for the enforcement of bicycle/pedestrian laws and speed enforcement, we also received a Department of Justice grant. This grant covers 100% of the cost for a 5-year lease of body worn cameras and the necessary evidence storage.

I sadly report that we had another drug overdose death this past year. Drug addiction continues to destroy families and grips our entire state. As a reminder, 988 is the number to call for anyone having suicidal thoughts or feel like they are in crisis. This number will work anywhere in the country and it will connect you with a local crisis team. These teams provide immediate services over the phone or will respond to your residence.

In reviewing our statistics, Saturday was our busiest day of the week making up 15% of total calls. In 2022, it was Friday and in 2021 it was Tuesday. Our overall busiest month for total calls for service was August, followed by July then June and September. Our busiest month for accidents was July and then March. Two completely different months from year before. This continues to demonstrate that it is impossible to predict when the police will be needed and

that we need to always be ready. We ended the year with a total of 2208 calls for service. This encompasses a variety of calls, but our more common ones included 605 motor vehicle stops, 93 assists to other law enforcement agencies, responded 73 times with fire department for emergencies, 55 motor complaints, 23 citizen assists, 28 motorist assists, 43 animal complaints, 53 right-to-know requests, 42 alarms, 31 suspicious incidents, 23 well-being checks, 61 motor vehicle accidents, 33 services of legal paperwork, 21 VIN verifications, 15 mental health calls and 32 arrests. Our Officers also completed 2479 business checks while on patrol and 336 property checks.

I would like to thank all our bordering communities and the NH State Police for their assistance over this past year. Without them there would have been times that our citizens and officers, who respond to calls alone, would have been in danger. Even with these agencies, there were times when we requested additional officers but none were available. I would also like to thank our in-town departments, along with the Board of Selectmen, as we all work together to ensure the town receives this most effective service that we can provide. Most importantly, thank you to the residents of Center Harbor. I promise you that we are committed to making Center Harbor a safe and welcoming community through our core values of Integrity, Respect, Competence, Service and Pride.

Center Harbor Parks & Recreation 2023 Annual Report

Participation in Parks & Recreation activities grew this year. There were more participants signed up for the 4th of July Footrace, more children signed up for swimming lessons at the Town Beach, and more seniors involved in the Senior Strength & Balance and Senior Hiker groups. A new Youth Soccer Program was started this year as well. More people are making use of the Center Harbor pickleball and tennis courts. Residents and guests are enjoying what we have to offer in Center Harbor.

Tourism continues to grow at an incredible rate in Center Harbor and keeping up with the demands is part of what we do. With tourism growing, commercial business on Town property at the Town Docks has become an issue. The Board of Selectmen issued a notice: "Please be advised that per deed restrictions, NO COMMERCIAL ACTIVITY is allowed on the Town of Center Harbor's Bandstand, Town Beach, Park and Boat Launch/Slips". (July 26, 2023)

Many people come to the Town Beach to kayak. It was approved by the Board of Selectmen that a \$10 launch/parking fee will be charged to those who do not have a parking permit. (September 2023) Kayak enthusiasts should report to the Boat Launch Attendant and then park at the upper beach parking lot. The kayak launch area is to the far side of the brick Canoe House by the Town Beach.

Air B & B rentals have increased in the lakes region at a rapid rate. Guest passes for parking at the Town Beach and High Haith Boat Landing have increased. The drinking of alcohol at the Town Beach and Town Docks has become more of an issue. It was recommended to the Board of Selectmen that security cameras be installed for the safety of all Parks & Recreation staff and Town properties.

A quote was submitted by "Security 101" for a new security camera system, which was approved by the Board of Selectmen. The plan is to install the new security cameras at the Town Docks and Town Beach prior to the start-up of Memorial Day weekend.

The Parks & Recreation facilities have been kept up. Turnkey has mowed and maintained the Ball Field. New tennis nets were put up at the Town Tennis Courts. A new pump was installed at the beach bathhouse. Lumber was replaced as needed by DPW at the Town Docks. New swim line and buoy markers have been purchased for the 2024 season. Milfoil was pulled at the Town Docks and Boat Ramp. New playground wood carpet will be put in at the Town Beach Playground in the Spring.

The Canoe House roof at the Town Beach is in bad shape where slate shingles have become loose and fallen off, which is now a hazard. This has been brought to the attention of the Board of Selectmen and we are getting quotes for repair of the slate shingles.

It was an unusual summer weatherwise as Canada wildfires and rain swept through New England. Boat launch activity and revenue was down with many rainy weekends. What was lost in boat launch revenue was made up in 4th of July Footrace and Parks & Recreation activities revenue. The 4th of July Footrace revenue totaled \$15,980 this year.

Summer Staff: Our expert staff took care of business at the Town Docks with two returning boat launch attendants. Our attendants check ID's, collect fees and launch boats, assist boaters in launching and docking, monitor the 3 hour limit, monitor overnight docking, monitor parking passes in our parking lots and control traffic flow.

We had one returning swim instructor/lifeguard, one returning lifeguard and one new lifeguard on staff. We were fortunate to have full staff coverage as other neighboring communities struggle to get quality help. Swim lessons multiplied this year and participants received American Red Cross certificate cards.

Summer Concerts:

The 2023 season marked the 145th year with the "Center Harbor Town Band". Band Director, Carlos Martinez, continues to help make the band grow with the addition of new members each year! People come from all over the Lakes Region to enjoy the programs and musical selections, which are wonderfully presented by the Town Band. There were three guest concerts in August featuring "Carter Mountain Brass Band", "Jimmy & The Jesters", and "NO LIMITZ".

Parks & Recreation Revenue 2023:

•	Boat Launch	\$18,512
---	-------------	----------

- Footrace 15,980
- Fishing Tournaments 480
- Swim Lessons 1,188
- Bandstand Facility Use 50
- Senior Strength 595
- Spring Youth Soccer 875
- Fall Youth Soccer 280

TOTAL: \$37,960

Many thanks go to our Footrace 2023 Sponsors:

Bootleggers, Center Harbor Inn, Heaths, Home Comfort, Just Hit Print, Meredith Village Savings Bank, The Edge, Roughwood and Wild Meadow Paddlesports.

Parks & Recreation Town Activities:

- Easter Egg Hunt & Scavenger Hunt / Crafts at Library
- Senior Pot-Luck Lunch at the Beach
- Memorial Day Parade
- 4th of July Footrace & Fireworks (Parade canceled due to afternoon Thunderstorm threats)
- Center Harbor Town Band and Summer Concerts
- Kid's Day at the Beach / Ice Cream / Free Bike Helmets / Goodie Bags
- Halloween Treat & Scavenger Hunt & Pizza Party in Fire Station
- Tree Lighting and Caroling with the Center Harbor Town Band and Cookies and Hot Chocolate provided at Poggio's
- Senior's Cocoa and Cookies Hike at Geneva Point

Our Christmas tree on the bandstand was once again, donated by former Center Harbor resident, Joan Dole. Each year Joan donates the tree to the Town in memory of her dear friend, Peg Lamprey. A picture of the tree on the bandstand was featured in the 2023 MVSB calendar. Many thanks go to DPW for setting up the tree and the FD for assisting with lights on the bandstand. Our Christmas "Carols and Tree Lighting" took place on the Saturday after Thanksgiving. Carlos Martinez and seven brass band members came for the annual tree lighting. Many thanks are extended to Poggio's for the afterglow with donated cookies & hot chocolate. Special thanks to Diane Drenkhahn for making all the beautiful Christmas cookies!

In conclusion, I wish to thank the Board of Selectmen for their support, judgement, patriotism and guidance. I also thank the Department of Public Works, Fire Department and Police Department for their dedication to the Town and supporting the Parks & Recreation Department. To our office employees, I give you tremendous gratitude for all you do for the Town and for Parks & Recreation. I wish our community friends a very happy 2024!

Respectfully submitted,

Sandy Frost Director of Parks & Recreation Town of Center Harbor

Center Harbor Town Band 2023

This concert season was weather driven as New Hampshire had much more rain this summer. Three concerts had to be moved to the following evening as torrential rains lingered on Friday nights.

The town band had a total of five performances and three rehearsals. Again, due to the rain, the 4th of July parade was cancelled. Our first concert on the 4th of July had hundreds of audience members in attendance and was also affected by the onset of rain, so that concert was shortened, and the fireworks happened earlier.

This season we welcomed several new band members who joined us with a total of fifty-three players. Since the band is growing and we had to make adjustments on the bandstand to make room for the extra players.

The town band continues to utilize the hiring of guest vocalists and instrumentalists and are great audience pleasers! This season, we featured several vocalists namely, Catherine Martinez, Jovanna Flaherty, Molly Cragon and Finn Roach.

Audiences were delighted at the variety of music the town band brings and we would like to continue with this format. We continue to be a great entertainment venue for summer visitors and for locals by evidence of the number of people who attend our concerts! Center Harbor Town Band has now been affectionately dubbed, *"The Boston Pops of the Lake's Region!"* Our audiences continue to love the "sing-along" portion of the program. Many have complimented that they mostly come because of the "sing-alongs".

The CHTB would like to express its thanks and gratitude for the town selectmen's outstanding support. We would also like to thank Jeff Haines, Center Harbor Road Agent for his contributions each concert season in setting up the bandstand extension and for having the chairs and music stands available for the concerts. We especially thank Robin Woodaman and Sandy Frost, Parks and Rec. Director and the Town Office personnel, Mary, Linda and Helen for their help and support!

Thank you to the fire station personnel for their help every year in moving the fire trucks for our pre-season rehearsals and for their presence during our concerts. We are grateful for their hard work and willingness to help!

We have received many compliments from our local patrons about the CHTB Facebook page, thanks to Tricia Craig, flutist and "facebookologist." Since our Facebook page is so popular, we have a very large fan base. Due to Tricia's work, the popularity of our band has grown both locally and across the web!

The CHTB also has a website where people can go visit to retrieve information about upcoming concerts and listen to band excerpts. The site address is: *www.centerharbortownband.com*

I have greatly enjoyed bringing wonderful music and entertainment to the town of Center Harbor! It has been such a privilege and an honor working with such a great band and a fantastic and supportive group of selectmen and town employees!

Respectfully submitted,

Carlos Martinez.

2023 Center Harbor Planning Board Report

The current Planning Board (Board) is made up of members Charles Hanson, Chair; Peter Louden, Vice-Chair; Bill Ricciardi, Selectmen's Representative; Rachel Xavier, Secretary; Mark Hildebrand, Lakes Region Planning Commission representative; Kelli Kemery and David Nelson. Alternate Members are Steven Brown and Alan Rilla. The Planning Board Clerk is Helen Altavesta.

In 2023, the Board met 14 times and reviewed, and acted upon, the following proposals/issues:

- 92 Construction Permits were submitted in 2023. Of the 92, 4 were denied and 88 were issued. Issued permits consisted of 5 new buildings, 3 demo/rebuilds of an existing structure and 3 demolitions of existing structures. The rest of the permits involved either maintenance of existing structures or other various new structures.
- Granted Non-Residential Site Plan Reviews for Senter Market Condo 9-11, Coe Winners, LLC, Gusto Café, BKM Realty ,135 DW Hwy, LLC., and 42 Daniel Webster Highway.
- Granted 5 Boundary Line Adjustments and one Subdivision.

I would like to thank all the current members of the Planning Board for their continued participation. I would also like to thank our clerk, Helen Altavesta, who is new this year, for all her assistance and doing a great job of keeping the Board organized and on track. Thank you to Code Enforcement Officer Bill Doucette for his continued feedback as to how the rules we make are implemented and if they work.

The Center Harbor Planning Board meets the first Tuesday of the month at 6 p.m. Residents are encouraged to check the Town website for up-to-date issues being addressed by the Board.

FY23 Annual Report

Town of Center Harbor

The Lakes Region Planning Commission (LRPC) is a voluntary association of 30 communities in Belknap, Carroll, Grafton, and Merrimack counties enabled under RSA 36:45. The LRPC plans at the local, regional, and statewide levels and is an essential conduit for federal funding. The LRPC employs a highly trained, professional staff to provide a wide variety of cost-saving local services such as presented below, and coordinates transportation, land use, economic development, and environmental planning at the regional level. A twelve-member Executive Board, together with Commissioners, governs the LRPC. Operations are overseen by an Executive Director.

The LRPC provides a forum for communities to share information and services from model ordinances and joint purchasing to solid waste districts and watershed management plans, and serves as a resource to support and enhance local planning and regional collaboration. The LRPC recognizes that the foundation of regional decision-making lies within local communities. Membership provides access to a wide range of services and resources including:

- Transportation, land use, and watershed management planning
- Economic development assistance
- Technical assistance with Master Plans, Capital Improvement Plans, Hazard Mitigation Plans, Zoning and Site Plan Regulations, Developments of Regional Impact, and Circuit Rider assistance
- Grant writing and administration
- GIS mapping
- Data collection and analysis

The following are highlights of our FY23 activities. For our full FY23 Annual Report, please visit the *About LRPC* page on our website at <u>www.lakesrpc.nh.gov</u>.

Highlighted Local and Regional Planning Services Provided for FY23

Newsletters & Articles	• The LRPC helps coordinate information from many different sources and is a great resource for keeping towns up to date on planning issues and resources through both our website and direct contact.
Solid Waste Management	• The LRPC provides a wide range of services to solid waste operators throughout the region including information, training, signage, roundtable events, regional purchase opportunities, and much more.
Technical Land Use Planning Assistance (TBG – A)	• The LRPC employs a professional land use planner to assist towns with technical land use issues which require a knowledge of land use law, NH RSA's, as well as state and local regulations on either a short or long-term basis.

Commission Meetings

 Convened 6 regular Commission Meetings with guest speakers covering topics including Regional Housing Needs Assessment/Housing Affordability Trends/InvestNH Funding, Solid Waste Management Grant, Household Hazardous Waste, Transportation Program Overview & Data Collection, Geographic Information System Programs, NH Broadband Planning Update, Electric Vehicle Infrastructure & Asset Management.

Regional Services & Activities of Benefit to Multiple Communities

2023 Household Hazardous Waste (HHW) Collection
 BY THE NUMBERS: 37 years of regional collections | 24 participating communities | 7 summer & 1 fall collection sites |
 4 HHW Coordinator meetings | 80 workers & volunteers contributing more than 500 hours | a dozen new local HHW
 Coordinators, including 3 new Site Coordinators | 1,564 households served | approximately 60,000 pounds (30 tons)
 of household hazardous waste safely removed and disposed, preventing negative effects on human health and
 mitigating potential illegal dumping and disposal throughout the Lakes Region.

- Bulk ordered and distributed 335 *NH Planning and Land Use Regulation* books for a group discount of \$96.25 per book and \$88.50 per book with e-book. TOTAL SPENT by 27 Member Communities = \$4,028.75 | TOTAL SAVED by 27 Members = \$31,719.25.
- Reviewed 15 Intergovernmental Review Process (IRP) notices from the state planning office as public notification to regional planning commissions of all projects in the region intended to receive federal financial support.
- Updated Regional Housing Needs Assessment: LRPC is contracted with the NH Department of Business and Economic Affairs (BEA) to address the RSA requirement that regional planning commissions complete a housing needs assessment every 5 years. This update was completed for 2023 and a draft was posted to our website together with a downloadable toolbox to assist communities with housing planning. Discussions have begun relative to adoption.

Solid Waste Management Accomplishments

- Worked with solid waste operators around the region to address solid waste issues through grant writing and research.
- Utilized Geographic Informational System (GIS) mapping tools to identify potential solid waste solar sites in the Lakes Region.
- Conducted a plastics disposal and municipal solid waste study for Lakes Region transfer stations with summer intern.
- Ran two roundtables for solid waste operators concerning Food Waste Composting in NH and Glass Management Efficiencies and Uses.
- Conducted outreach at various transfer stations, providing information to a number of residents concerning the annual Household Hazardous Waste collection event.

Economic Development

- **Comprehensive Economic Development Strategy (CEDS).** Drafted update using innovative story map formatting approach which is posted on LRPC's website.
- **Community Development Block Grants (CDBG).** Administered CDBG Microenterprise funding for Grafton County which assists businesses and economic development organizations in Grafton, Belknap & Carroll counties.

• Northern Border Regional Commission (NBRC) Grant Administration. Provided grant writing and grant administration assistance to several successful NBRC grantees as the designated local development district for our region, including:

NEW:

- o Town of Gilford Foam Recycling Project
- GALA Makers Space Phase II
- Granite State Adaptive Equine Therapeutic Center
- Lakes Region Model Railroad Museum (Wolfeboro)

ONGOING:

- City of Laconia | WOW Opechee Loop
- Town of Hebron Fiber Optic Network
- Town of Sandwich Fiber Optic Network

Transportation

- LRPC Transportation Advisory Committee (TAC). Provided administrative support for meetings and facilitated communications. The TAC met 6 times involving city/town appointed representatives in order to engage community participation and local involvement in regional transportation planning and project development. Topics (some with guest speakers) included Ten Year Plan (TYP) Project Planning for 2025 2034, Road Safety Audits, NH Route 11 Alton-Gilford Planning Study Update, Scoring of Proposed TYP Projects, Update on the Regional Plan and Congestion Mitigation Air Quality Application Process, Regional Bicycle Group Update, 2022 Traffic Count Summary, Charging & Fueling Infrastructure Discretionary Grant Program, and Processed Glass Aggregate.
- Bicycle and Pedestrian Planning. Updated draft of state-wide Bicycle and Pedestrian Plan.
- **Regional Transportation Plan.** Drafted Regional Transportation Plan. Included additional crash data information so Plan now can be used for more grant opportunities (Safe Streets For All).
- Ten Year Plan (TYP) Funding and Project Prioritization (TYP 2025 2034): Worked with towns, NH DOT and GACIT to develop project scopes and cost estimates.
 - Meredith NH Route 25 intersection improvements at Laker Lane, True Road, Quarry Road, and Patrician Shores (additional funding).
 - **Laconia –** Union Avenue improvements.
- Data Collection & Analysis. Collected traffic count data at 148 assigned locations throughout the region for NHDOT along with 17 municipal requested counts. Worked on updating Road Surface Management System (RSMS) assessment for one community.

Center Harbor Cemetery Trustees 2023 Annual Report

Town Meeting voted to establish a Cemetery Expendable Trust (\$13,500) for the purpose of performing maintenance and repairs at the Town Cemeteries. The Center Harbor Cemetery Trustees met twice in 2023, holding meetings at the Cary Mead Room on June 7th and again on November 17th. Our focus this year has been to get a better understanding of how to best steward the cemeteries within the town by acquainting ourselves with all of the burial plots within town and understanding what kinds of repairs are needed at both the modern Center Harbor Memorial Park Cemetery and the various historic cemeteries that are scattered throughout the town. The Cemetery Trustees are Mae Williams, Chair; Kelli Kemery; and Charley Hanson, Secretary.

Over the past several years, the Town has focused on Memorial Park Cemetery and has made repairs to the old cemeteries as needed, without a long-term plan to preserving these important pieces of our local history. As is often the case, the grave markers in these cemeteries often represent the only tangible link with these individuals whose stories have otherwise been lost. By focusing on conserving these memorials for future generations, we are making sure that these people and their stories are not entirely forgotten.

Memorial Park Cemetery: We have continued to work with the Center Harbor DPW to eradicate invasive species at the Center Harbor Memorial Park and manage the overgrown hedges.

Town-owned Cemetery Assessment: In late July, Cemetery Committee Chair, Mae Williams, met with Road Agent/Head of DPW, Jeffrey Haines, and gravestone restoration expert, Jessica Davis of Brownfield, Maine to tour the town-owned cemeteries and develop a long-term plan for their restoration. Through this meeting, Ms. Davis developed a multi-year preservation/maintenance plan that will prioritize the safety of those visiting the town's cemeteries (by removing dead overhead branches and similar), conserve memorials that are in danger of breakage (resetting leaning or loose stones before it is too late), and then repairing already damaged stones, fences, etc.

Lake View/Pleasant View Fences: At the same time as these long-term planning efforts have been underway, the Trustees have been working with the Selectboard, led by Bill Ricciardi, to repair the fences at the most prominent of our town-owned cemeteries: Lake View AKA Pleasant View Cemetery. Over the late summer, volunteers worked to repaint one side of the wooden picket fence around the cemetery and the DPW has worked to straighten leaning stone fence-posts. The Town has contracted with StandFast Works Forge to restore what remains of the historic cast-iron fence at the west (Main Street) elevation of the cemetery and make new Victorian-style cast-iron gates to replace the original gates, which were stolen. This work has been funded and approved as part of the creation of the Cemetery Expendable Trust Fund and is expected to be completed in the spring of 2024.

2024 Goals: In 2024, we plan to begin some of the highest priority repairs to the Town's historic cemeteries, hiring a professional to repair some of the memorials at Canney Hill, Davis, and Greenleaf Cemeteries during the summer field season. We are also hoping to team up with the Heritage Commission to sponsor a gravestone cleaning workshop at Lake View/Pleasant View and finish painting the picket fence.

Center Harbor Heritage Commission

2023 Annual Report

The past year saw good progress bringing the Town House back into use for Center Harbor. Members of the Commission met with Jeff Hanes and a representative from NHDOT to establish the best location for a parking lot. Ames Associates submitted a septic design to the state which has been approved. Once completed these amenities will bring the Town House back to life.

We want to thank David Hughes for the gift of a heavy wooden table for the Town House that had been in his family for many generations. Dave remembers it in his grandmother's kitchen and it had seen several generations of use before that. We have purchased US and New Hampshire flags for the Town House.

The Commission was contacted in November by a film company that was interested in shooting scenes for an historical fiction movie. In early January, the group arrived in Center Harbor and spent two days filming for their production. We look forward to the future when the Town House is available for use by town Boards and Committees as well as outside groups. The location in the center of town allows for meetings more convenient to West Center Harbor residents.

For the coming year our concentration will be on improvements to the School House. It has been many years since the building has seen major improvements and restoration. We hope to offer a workshop on gravestone restoration. Work on the Lakeside Cemetery will be completed as soon as the weather permits. Mae Williams is our liaison to the Cemetery Committee and Rachel Xavier is our contact with the Planning Commission.

This year we received \$510 from the July 4th 50/50 raffle, with \$255 going to the winner and \$255 to the Heritage Commission. Proceeds from the Common Man Do Good Cards provided an additional \$1,490.00. Donations totaled \$390.50.

By unanimous consent, the Heritage Commission wishes to convey our sincere thanks to Karen Ponton for years of service to the Commission and the Town of Center Harbor. She was instrumental in the formation of the Commission and her experience and guidance have been immeasurable. She has left a high standard for us to follow. By using her example, we will endeavor to build upon the blueprint she has left.

Respectfully submitted,

Ginny Fisher, Chairperson

Tribute to a Retiring Energy Committee Member

During 2023 Chris Williams (Christopher P. Williams, Architects) - a founding member of the Center Harbor Energy Committee - retired from the Committee. We would like to express our deep appreciation to Chris for his dedication to the committee, starting with professional advice dating back to 2007, followed by committee membership extending to 2023. We are also grateful for his willingness to stay in touch and provide his expert opinion on an occasional basis going forward.

Activities

During the 2023 year of service to the residents of Center Harbor, the Energy Committee concentrated on one major project for the town: a ground-based solar array to further reduce town electricity costs for the Municipal Building. First steps on this project began in 2022 when the Energy Committee consulted with a solar professional, analyzed the building's electrical needs, explored the type and location of the array and prepared an initial proposal for the Select Board.

During 2023, the Committee continued work on this project:

- With input from the Select Board, decided on the array location, created a schedule for the project and a Request for Proposal (RFP).
- Consulted with NHEC on technical aspects of the project.
- Hired a surveyor to delineate the potential site for the array.
- Made an informal presentation of the project to town residents at the end of the March 15, 2023 Annual Town Meeting, including providing a handout and adding information to the committee's website.
- Published an RFP and contacted potential contractors
- Met with five solar contractors who attended mandatory meeting to answer questions and tour the potential site for the array.
- Reviewed proposals sent by two solar contractors; visited sites of previous arrays built by these contractors; chose Barrington Power as the solar contractor which whom we wished to work.
- Explored Federal and State grants and rebates potentially available for this project.

- Collaborated with PAREI (Plymouth Area Renewable Energy Association) and four other central New Hampshire towns in initial efforts to apply for a Federal Grant for the solar project.
- Conducted two Public Hearings (one in November and one in December) to discuss the solar array project with Center Harbor residents; presented a slide show and answered questions from the public.

In addition, in 2023, the Energy Committee

- Continued volunteer participation in a Center Harbor Solar Shares project initiated by PAREI (Plymouth Area Regional Energy Initiative) and Lakes Region Conservation Trust (LRCT). The project was completed in 2023 and will provide solar energy credits for approximately 10 needy families from Center Harbor, Holderness, Sandwich and potentially Meredith.
- Continued municipal membership in Clean Energy NH a resource for education on new state and federal energy legislation, technical assistance on energy projects, advice on energy efficiency incentives and financing.
- Networked with other towns on energy savings and efficiency programs.

During 2024, the Energy Committee will:

- Present the Solar Array project at a final Public Hearing and at the 2024 Annual Town meeting in March, where the Town will hopefully vote to approve the project
- If the project is approved, work with selectmen, contractor, and interested residents to complete this project. Hopefully having it online before the end of 2024.
- Pursue funding for the solar array through Federal and State resources.
- Continue to focus on other energy savings opportunities for the town and its residents.
- Join PAREI as a municipal member and partner with their efforts to expand renewable energy in New Hampshire.
- Renew the town's municipal membership with Clean Energy NH; attend their educational events.
- Participate in the New Hampshire Environment Energy and Climate Network Energy Working Group

- Continue to gather and analyze town electric, propane and oil usage.
- Continue to network with other towns and groups regarding energy issues.

The Energy Committee meets on the third Monday of the month as needed at 7:00PM in the Cary Mead Room of the Municipal Building. The committee is looking for additional members (you do not need to be an energy expert or professional)! Please attend a committee meeting if interested. For additional information, email chec@centerharbornh.gov.

If you would like to be notified of energy related events and information, please subscribe to our emailing list by sending a request to chec@centerharbornh.gov. (Your email address will only be used by the committee for these communications.)

Center Harbor Conservation Commission

Annual Report

In 2023 The Conservation Commission focused primarily on working with the ZBA to provide commentary and guidance with cases that involved the Water Resources Ordinance (Chapter 10 of the Zoning Ordinances). The minutes of the meetings involved are posted on the Conservation Commission section of the Town website.

At the end of the year the Conservation Fund Balance was \$97,763.80. No disbursements were made from the fund during 2023.

Per RSA 36-A the Commission is comprised of between 3 and 7 members. At the end of the year Chairwoman, Mauren Criasa, resigned and longstanding member Karen Karagozian (the longest serving member of the Commission) retired, leaving the Commission with two members and the Selectman's Representative Harry Viens. The Commission is actively seeking new members to revitalize the Commission and continue with its work.

We would like to recognize and thank Karen for her 17 years of service on the Commission beginning in 2006. Also, we wish to thank Maureen for her many years of dedicated service to the cause of protecting the town's Natural Resources. During her tenure as Chairwoman Maureen worked tirelessly to protect and conserve the Town's natural resources and maintain the environment health of our forests, streams and the waterbodies that border our Town. Among her many accomplishments are helping Rick Van de Poll revise mission guiding documents including the Natural Resources Inventory and the Natural Resources Chapter of the Master Plan, and monitoring the reconstruction of the Snake River Bridge to ensure minimal impact on the Snake River Prime Wetland complex.

Her dedication to the Town, the environment and the protection of Center Harbor's natural resources are unmatched. Thank you, Maureen!

Centre Harbor Historical Society and Museum 2023 Town Report

The future of the Centre Harbor Historical Society is dependent on the will of the people of Center Harbor

This past year new doors to the schoolhouse were installed to replace the two old unmatching front doors, as well as two inside doors that were used as outside doors in two other places

The complete collection of artifacts of the Centre Harbor Historical Society has been cleaned of all mildew and mold and has been put into a clean and secure storage for the time being. Our collection of items donated to the museum can not be put back into the schoolhouse until all the mold and mildew spores are cleaned in all the rooms. The historical society has offered to help pay part of the mold remediation work.

When the mold and mildew is completed we hope that this will show that the society is trying to create a clean and safe building to once again be able to display our historical artifacts and to hold public meeting in the museum.

In the process of cleaning the artifacts, a new and complete pictorial and written record was made of all the items in the museum and this will be our new beginning inventory. Having known what was in the collection before the cleaning, it was found that two very important record books were missing from where they were kept. The books were taken without our knowledge and contained a record of all the items donated to the museum since the '70s, until now.

Respectfully, President Roland Garland

COMMUNITY ACTION PROGRAM BELKNAP-MERRIMACK COUNTIES

The Community Action Program Belknap-Merrimack Counties is a New Hampshire based private, nonprofit organization that has been serving Center Harbor residents since 1965. Our primary mission is to work with low-income families, the elderly, and individuals with disabilities to assist in efforts to become or remain financially independent. The agency provides a broad array of services that are locally defined, planned, and managed.

The agency operates a resource center open to Center Harbor residents right in Meredith, NH, as well as a center in Laconia. The Meredith CAP Area Resource Center is funded primarily from three main sources: local tax dollars in conjunction with funding from the Electric Assistance Program (via the state utility companies) and the Low-Income Home Energy Assistance Program (a federal program also known as Fuel Assistance Program). The Center is the local service delivery network for agency programs in your community. The local support of our Center is vital for us to continue intake, referral, contact, and support with residents of your community. We thank the town of Center Harbor for your continued support of our work at the resource center. We will continue to work closely with your town to ensure the maximum availability of resources from our programs, as well as continue to mobilize any resources other than local tax dollars that become available to help serve residents of your community.

While the Meredith Center provides referrals and information for a variety of needs, there are two major areas of direct support provided to community members - energy assistance and food assistance. Below are the specific data from Center Harbor residents served during our last program year. In total, our agency was able to provide \$64,482.90 in energy and food assistance to the residents in Center Harbor.

Thank you so much for your support. If you'd like to learn more about our agency, please visit us at www.capbm.org.

Value

Inter-Lakes Day Care Center and Nursery School is a non-profit, licensed, community childcare and education agency that provides exceptional and affordable early care and education. It is the mission of ILDCC to promote child development and family support through operation of a group childcare center and nursery school, and through collaboration with other agencies, local businesses, and civic groups. ILDCC's variety of programs and services include: full and part-time child care, before and after school programs for school age children, summer day camp, healthy meals, field trips, and enrichment programs.

Our programs offer a welcoming environment that encourages the development of the whole child while fostering a sense of independence, responsibility, and self-control. Classroom routine is built around a predictable schedule that provides security and stability for children. Every day ILDCC provides free breakfast, lunch, and snacks for all children through the USDA's Child and Adult Care Food Program (CACFP). We are very proud that for more than 52 years, thousands of families and children, many second generation, have been educated and cared for at Inter-Lakes Day Care Center.

ILDCC continues to cooperate with a number of other local agencies and programs to enhance services, including the Altrusa Club of Meredith, Meredith Public Library, Early Learning NH, Child Care Aware of NH, and the NH Child Care Advisory Council.

ILDCC strives to provide affordable childcare to the families it serves. Through the Department of Health and Human Services, childcare scholarship tuition assistance is available to families with income up to 85% of the State Median Income. This means a family of 4 will qualify for reduced tuition with household income of up to \$106,167 per year. This helps parents who are employed, enrolled in degree or certificate programs, or who are temporarily disabled. With parents employed, the economy and community are strengthened – both financially and socially.

On behalf of the Board of Directors, staff, and families of Inter-Lakes Day Care Center, I would like to extend a sincere thank you to the Town of Center Harbor. We greatly appreciate the continued support for our families and the growing local community.

Sincerely,

Connie Pelletier Executive Director

WINNIPESAUKEE WELLNESS CENTER MOULTONBOROUGH, NEW HAMPSHIRE

We have been in our new location, 60 Whittier Hwy in Moultonborough, for over two years. Our active membership continues to increase each month with members residing in Meredith, Moultonborough, Center Harbor, Sandwich, and North Sandwich.

Our mission to promote self-health while providing a safe comfortable site for exercise and the encouragement of healthy lifestyle habits for our clients continues to be our mission.

We are open Monday, Wednesday, and Friday from 7:00 until 4:00 with certified CPR supervision. During the past year we have expanded our operation to 24-hour 7 day a week operation with the installation of electronic entry (non-supervised) utilization.

We continue to solicit and receive monetary grants from the surrounding towns. These funds are utilized to assist in our overhead costs and maintain affordable client monthly dues.

Request for Center Harbor Allocation in Fiscal Year 2023: \$1,750

Founded in 1966, Lakes Region Mental Health Center (LRMHC) is designated by the state as the community mental health center (CMHC) serving 24 towns in Region 3 (Belknap and southern Grafton Counties).

LRMHC's **mission** is to provide integrated mental and physical health care for people with mental illness while creating wellness and understanding, in our communities. The organization's **vision** is to be the community leader providing quality, accessible and integrated mental and physical health services, delivered with dedication and compassion.

A CMHC serves the most vulnerable people that require the highest levels of care, are the furthest from socioeconomic opportunity, and therefore are dependent on Medicaid to access needed services. Because of the nature of this work, LRMHC's annual budget is comprised of up to 70% Medicaid reimbursements. The resulting loss of Medicaid reimbursement revenue due to the expiration of the public health emergency (COVID), known as "unwinding", combined with increased case management efforts to re-engage this population and help those that are eligible to access benefits, has resulted in an unprecedented, extremely challenging 2024 Fiscal Budget year for LRMHC, as well as other community health agencies. The support of the towns we serve is more important than ever so that we can maintain services.

The New Hampshire Department of Health and Human Services (DHHS) "Mission Zero" plan to eliminate hospital emergency department psychiatric boarding by 2025 is a top focus of NH's 10-year Mental Health Plan. Because of the central location in the state, LRMHC has agreed to be a leader of this initiative and will dedicate part of the LRMHC Plymouth office location as a crisis center called "A Place to Go", expected to open in 2024. A Place to Go will offer people in crisis with acute psychiatric needs access to care and supports to address their immediate psychological needs.

Every dollar the town of Center harbor contributes is invested in care for people in Center harbor. It is leveraged with funds from other towns to offset the tremendous cost of high-quality access to care.

From July 1, 2021 to June 30, 2023, LRMHC served **3,622** patients, and provided over **\$319,000** in charity care. <u>16</u> residents of Center Harbor accessed LRMHC services. Center Harbor residents represent 1% of the LRMHC catchment area.

Similar to the police or fire department, Mental Health Care is a municipal service and a safety net for *all* residents of your town, not just those utilizing the service. Your appropriation ensures the provision of this essential service for the residents of your community and reduces the burden on your town.

Interlakes Community Caregivers, Inc.

Center Harbor • Meredith • Moultonborough • Sandwich

With the support of Center Harbor taxpayers and others, Interlakes Community Caregivers, Inc., (ICCI), has provided access to healthcare, nutrition, prescription medication and socialization to our Neighbors that are residents of Center Harbor, free of charge, for over 25 years.

In 2023, 59 volunteers provided 2,469 services to over 100 Neighbors. Volunteers donated 3,371 hours and drove 47,000 miles to help keep our Neighbors safe and independent, with dignity and respect. Fourteen of our volunteers, including one Board Member, and sixteen of our Neighbors were Center Harbor residents.

Rides to medical appointments comprise 90% of our service requests. These rides are in volunteers' own vehicles and are primarily to doctors, specialists, physical therapists, and labs in Laconia, Meredith, Gilford, and Concord. We also provide long distance rides to medical facilities in Boston, West Lebanon, Manchester, North Conway, and White River Junction, VT. Other services include rides for grocery shopping, prescriptions, personal appointments, and running errands. We also continued our "birthday brigade" program, where a volunteer delivers a birthday bag to each Neighbor in recognition of their birthday.

An eleven-member Board of Directors governs ICCI and three part-time employees work in the office located in Moultonborough. Interlakes Community Caregivers relies solely on donations from the four towns we serve, individuals, local businesses, and foundations. Support from the taxpayers of Center Harbor made up approximately one percent of our annual budget in 2023.

If you would like more information about ICCI, please call our office 603-253-9275 or visit our website at <u>https://Interlakescares.org</u>.

We are very grateful for the contribution made by the Center Harbor taxpayers which is essential to our continued service to our community. Thank you.

Respectfully submitted, Kathryn Holt Executive Director Interlakes Community Caregivers, Inc.

On behalf of New Beginnings – Without Violence and Abuse, I would like to thank the citizens of the town of Center Harbor for their ongoing support. Your 2022-2023 allocation has enabled our agency to continue to provide services to those whose lives have been affected by domestic violence, sexual assault, stalking, and human trafficking in Center Harbor and all of Belknap County.

New Beginnings is dedicated to ending sexual, domestic, and stalking violence through the provision of safe and effective services, including emergency refuge and support, and works toward social change by promoting an effective community response to violence.

New Beginnings is the only domestic and sexual violence crisis center serving Belknap County, providing services to 4 residents of Center Harbor in FY23. Advocates provided 19 services to Center Harbor residents, including counseling, accompaniment to court, safety planning, and pro-bono legal counsel. Trained advocates provide 24-hour crisis intervention, accompaniment, safe shelter for victims and their children, weekly support groups for all ages, transitional housing, financial empowerment programming, and systems advocacy. All services are confidential, non-judgmental, and free of charge.

New Beginnings works closely with many social service agencies and multidisciplinary partners. Advocates respond 24-7 to Concord Hospital-Laconia, Laconia Family Court, Laconia District Court, and Belknap County Superior Court. Advocates partner with Center Harbor Police on the Lethality Assessment Program (LAP), which is designed to immediately connect a survivor with an advocate on-scene after a domestic disturbance with the goal of reducing domestic violence homicides. Advocates accompany non-offending caregivers to forensic interviews at the Child Advocacy Center. The New Beginnings Family Violence Prevention Specialist has office hours at the Laconia DCYF district office and partners with Child Protective Service Workers on cases of co-occurring domestic violence and child abuse or neglect. The Executive Director is a member of the steering committee of the Adverse Childhood Experiences Response Team. The agency also facilitates the Belknap County Sexual Assault Response Team.

New Beginnings is the service provider for Sadie's Place, a five-unit transitional housing facility in Meredith serving Belknap County families impacted by domestic and sexual violence. Sadie's Place opened its doors in September 2021 and is currently serving five families. Advocates work with each family to give them the tools they need to establish safe, permanent housing free from violence and abuse.

We are one of twelve member programs of the New Hampshire Coalition Against Domestic and Sexual Violence (NHCADSV), promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The Coalition is the evaluating body and administrator of state and federal grants and contracts that provide federal and state funding for member programs.

Community support has always been our greatest asset. We look forward to continuing to work with you to end domestic violence and sexual assault in our community.

With gratitude,

Shauna Foster Executive Director

American Red Cross

Disaster Response

In the past year (July 1, 2022 to June 30, 2023), the American Red Cross has responded to **12 disaster cases** in **Belknap County**, providing assistance to **34 individuals**. Most commonly, these incidents were home fires. Red Cross workers were on the scene to provide food, clothing, lodging, emotional support, and more to families during their hours of greatest need. Our teams also provide Mass Care to first responders. Things like food, water, and warm drinks strengthen the brave people of your local Fire and Police Departments as they answer the call to keep your residents safe.

Home Fire Campaign

Last year, Red Cross staff and volunteers worked throughout Belknap County to educate residents on fire, safety, and preparedness. We made **9 homes safer** by helping families develop emergency evacuation plans.

Service to the Armed Forces

We proudly assisted 44 of Belknap County's Service Members, veterans and their families by providing emergency communications and other services, including counseling and financial assistance.

Blood Drives

During the last fiscal year, we collected **2,822 pints of lifesaving blood** at **126 drives** in Belknap County.

Training Services

Last year, **642 Belknap County residents** were taught a variety of important lifesaving skills such as First Aid, CPR, Babysitting Skills and Water Safety.

Volunteer Services

Belknap County is home to **30 American Red Cross Volunteers**. We have volunteers from all walks of life, who are trained and empowered to respond to disasters in the middle of the night, to teach safety courses, to help at our many blood drives, and so much more. The American Red Cross is proud that 90% of its staff is made up of volunteers; they are truly the heart and soul of our organization.

Court Appointed Special Advocates (CASA) of New Hampshire 2024 Town Report Town of Center Harbor

Mission: Court Appointed Special Advocates (CASA) of New Hampshire provides a voice for abused and neglected children and youth so they can thrive in safe, permanent homes. It is our goal to have a trained advocate available for 100 percent of NH's children in need.

Our trained volunteer advocates speak for abused and neglected children's best interests in New Hampshire's family court system- including the Laconia Circuit Court, the court that serves children from the Town of Center Harbor.

	Statewide	Laconia Circuit Court
Children served	1,549 children	110 children
in 2023		

Since 1989, CASA of New Hampshire has served over 12,000 victimized children in our state.

The effects of the pandemic have begun to surface, leading to a rise in both the number and complexity of cases. We are faced with some of the most severe neglect of children that I have witnessed during my tenure. Children and families clearly struggled during the long months of isolation, and continue to do so today.

However, the bright light during this challenging time is that CASA of NH has an incredibly strong team of staff, board of directors, and more than 600 volunteer advocates who are completely committed to this difficult but life-changing work. Support from the Town of Center Harbor will help us to further this mission by providing neglected and abused children in your community with a caring and compassionate advocate to help see them through their most difficult days.

Friends,

The 2023 year was filled with many triumphs, challenges, and most importantly hope! Our behavioral health program continues to grow with Arianna Moskovitz joining us in fall of 2023 as a Behavioral Health Clinician.

All of our services remain free and we are committed to reaching as many children and families in Belknap County in the year ahead.

We would like to share a story from 2023 highlighting the work done at the Greater Lakes Child Advocacy Center and the extraordinary strength and resiliency of the children and families we work with:

"A 9-year-old female was referred to the Greater Lakes Child Advocacy Center in reference to a report of sexual abuse by a family member over a period of one year. The child and caregiver entered the center scared and overwhelmed. The family member was a financial contributor to the family and the primary caretaker for the child when the parent would work. Not only was this family torn apart, but the emotional betrayal and loss of this family member devastating. The child participated in the forensic interview, conducted by a trained forensic interviewer in a developmentally, trauma-informed manner. After the interview both child and caregiver were connected with the local Crisis Center and the child was connected with a Mental Health consultation with our on-site Clinician. In addition to the importance of follow-up Mental Health Counseling is a Specialized Medical Evaluation to reassure the child their body is "great," and meet any unmet medical needs. All these services were scheduled on-site in the same building, to minimize the family from having to navigate the complex wellness system. With on-going support and the resiliency of this child, this family is healing, surviving and thriving!"

The Town of Center Harbor's generosity and support championed the efforts of the GLCAC and made stories like this possible.

Sincerely,

The GLCAC Team
